## Adding to the Church

Last fall I asked people to pray that our church would grow by two families. I expected to see the results by Advent. God brought the two families during Lent. God's way are not our ways, and neither is God's timing. The first family to come was a trouble young man and his daughter. Mario came to St. Luke's Thrift Store to ask my help regarding a medical challenge. He wanted me to help set up a medical appointment for him. I shocked him when I offered to pray for his healing right on the spot. I invited him to be prayed for by the church on Sunday. Mario accepted the invitation and as the church members gathered around him to pray, Mario surrendered his life to Christ. He and daughter Jalene have been in church ever since.

The second family comes from our English classes. Patria took English last fall and has been attending our current session with her son Ricardo. Please prayer for our church to grow. We recently started English classes again with twelve people signed up. Ask that God will touch their hearts.

## ESL – 2015 Spring Semester

## **We are half way there! \$7,500 in the bank.**

Last fall we started a drive to pay off a \$3000 debt and establish a \$15,000 building fund to use to open a new store. Thanks to the generosity of the people of Christ Church we are out of debt and are at the ½ way point to our building fund. If you would like to contribute to the fund please follow the donation instruction below.

### **Box Truck purchased.**

Thanks to the generosity of the mission's committee and the endowment trust St. Luke's Thrift Store now has a 14' box truck. What a difference this has made. We now pick up estate sales on Tuesday with Christ Church volunteers and unload the truck with volunteers from our Latino church the next day. If you would like to help clean out estate sales or volunteer at the thrift store please let us know.
