Soccer Camp 2016

Soccer fever was in the air for our 2016 Soccer Camp for Hispanic kids. The Mission of St. Luke brought together 16 kids from 6 to 12 years old to practice their soccer skills on a soccer field in downtown Kansas City, Kansas. Jarrod and Krista Eyler were our coaches again this year. For four days we taught basic soccer skills through a series of drills and games. The highlight of the week was the Friday tournament. We divided the kids up into two teams and let them play for the championship. After the tournament and presentation of medals, the parents came in to play the kids. The final celebration was a picnic lunch that brought everyone together. The families are so appreciative of a low cost opportunity for their kids to play soccer on a team. Pray that some of these families will find a church home at our mission. We currently have four Latino families worshipping with us and one of the soccer families expressed a desire to join us on Sundays. Enjoy the pictures.

Vacation Bible School

The Mission of St. Luke joined forces with St. Luke's Lutheran Church for this year's vacation Bible school. Kids from our mission joined other children from the neighborhood to hear God's word a fun-packed enviroment. I really enjoyed working with our Lutheran neighbors in this colaboration. I have included some pictures from the event.
